CHAPTER 13

DEBTOR(S)

MINUTES OF 341 MEETING AND  
MOTION FOR CONFIRMATION OF PLAN

NOW COMES, the Trustee in the above referenced Chapter 13 case and moved the Court for entry of an Order confirming the Plan in this case, and as to the extent modified by this Motion. In support of this Motion, the Trustee says unto the Court the following:

1. That the Debtor(s) appeared at the meeting of creditors, as required by 11 U.S.C. §341 and submitted to an examination under oath by the Trustee on DECEMBER 12, 2017 or has (have) supplied answers to written interrogatories;
2. The Debtor(s) has/have complied with all requirements of 11 U.S.C. §521(a)(1)(B), and Interim Bankruptcy Rule 1007, and Rule 4002(b), as modified and adopted by this Court, and this case has not been dismissed, nor is it subject to dismissal, under 11 U.S.C. §521(i).
3. There are no pending objections to confirmation or other filings or pleadings that would impede the confirmation of the Plan in this case;
4. The analysis of this Plan has been performed by the Trustee, as evidenced by Exhibit "A" attached hereto, and the Trustee is of the opinion that the Plan meets the requirements of 11 U.S.C. §1325;
5. The Debtor(s) shall pay to the Trustee aggregate payments of \$62,700.00, which amount is the "Plan Base," and such payments shall be paid as follows: 1 MONTH @ \$750.00; 59 MONTHS @ \$1,050.00. The Debtor's applicable commitment period under 11 U.S.C. § 1325(b)(4) is 36 months. The Debtor's plan shall not end prior to completion of the applicable commitment period unless all allowed general unsecured claims have been paid in full. The Trustee shall disburse such funds pursuant to the terms of the confirmed plan and subsequent orders of the Court and all required thereby to be paid by the Debtor(s). The Debtor(s) must pay the Plan Base to the Trustee for distribution under the terms of the confirmed Plan before a discharge may be entered;
6. The Plan established a minimum pool of funds to be paid to the Trustee by the Debtor(s) called the "Unsecured Pool" as provided for in 11 U.S.C. §1325(b)(1)(B). The Plan established the Unsecured Pool in this case as \$0.00. After satisfaction of all allowed priority and administrative claims, unsecured creditors shall receive their *pro rata* portion of any funds remaining in the Unsecured Pool;
7. This case satisfies the requirements of §1325(a)(4) (commonly known as the liquidation test).
8. Since various factors, including but not limited to periodic fluctuation of the Trustee's commission during the course of this case, may affect the amount of funds in the Unsecured Pool available for distribution to unsecured creditors, the Unsecured Pool shall be increased by the "base" amount not needed to satisfy allowed secured, priority, and administrative claims (including the Trustee's commission);

9. Generally, and subject to orders entered hereafter by this Court, any claim proof of which is not filed before on or before MARCH 5, 2018 shall be disallowed. Claims of governmental units, proofs of which are not filed before APRIL 24, 2018 shall be disallowed.
10. Scheduled claims, proofs of which are not timely filed, or which claims are disallowed, are subject to being discharged if the Debtor(s) complete the Plan, except as specifically provided by law. The liens of creditors which will not be paid in full during the term of the Plan, or which are to be paid directly by the Debtor(s), are not affected by the confirmation of this Plan, except as provided in paragraph 12 below;
11. *No real estate creditor shall ever assess, charge or collect, from either the debtor or the real estate collateral, any assessments, fees, costs, expenses or any other monetary amounts, exclusive of principal, interest, taxes and insurance, that arose from the date of the filing of the bankruptcy petition to the entry of the Order of Discharge except as may be allowed by court order or an allowed proof of claim. This does not apply to the right of a Homeowner's Association to assess, charge or collect post-petition assessments, fees, costs, expenses, or other monetary amounts for obligations due from the Debtor(s) to the Homeowner's Association post-petition in accordance with the contract between such parties or restrictive covenants applicable to the real property of the debtor(s) and applicable law.*
12. The claims of the following secured creditors shall be paid in the amount set out below. The amount shown has been adjusted to account for any adequate protection payment(s) paid to the creditor by the Trustee in accordance with Local Rule 3070-1(b) prior to the date of this motion, and a similar adjustment shall be made should any additional adequate protection payments be disbursed by the Trustee prior to the confirmation of the Plan. All adequate protection payments are applied to reduction of the principal amount of the creditor's claim. With respect to claims listed below for which the terms of repayment are listed as: "Direct" or "Outside" or similar language regarding the payment of a claim under this Plan, such language means that the Debtor(s) or a third party will make the post-petition payments in accordance with the contractual documents which govern the rights and responsibilities of the parties to the transaction, including any contractual modifications thereof, beginning with the first payment that comes due following the order for relief. With respect to claims for which the collateral is described as "Arrears," the amount thereby shown as pre-petition arrears shall be cured through plan payments made by the Debtor(s) in the manner set forth under the heading "Repayment." The lien of each such creditor shall survive the discharge(s) of the Debtor(s), provided that upon payment to the creditor of the allowed arrearage claim, shown below (or as changed by a timely filed and allowed claim or amendment to claim or order of this Court), the Debtor(s) shall be deemed to be current under the terms of the debt as of the petition date. With respect to claims listed below for which the terms of repayment are listed as: "Surrender," upon entry of an Order confirming the plan, as modified by this Motion, the automatic stay of 11 U.S.C. §362(a) shall thereupon be lifted and modified with respect to such property "for cause" under 11 U.S.C. §362(d)(1), and, if applicable, the co-debtor stay of 11 U.S.C. § 1301(a) shall thereupon also be lifted and modified with respect to such property pursuant to 11 U.S.C. § 1301(c)(2), as allowed by Local Rule 4001-1(b). If "Scheduled" appears next to or below "Amount," below, such notation indicates that no claim has been filed by or on behalf of the Creditor. In accordance with 11 U.S.C. §502, no disbursements may be made to a creditor who does not hold an allowed claim which requires the timely filing of a proof of claim pursuant to and in accordance with 11 U.S.C. §501, Federal Rules of Bankruptcy Procedure 3001, 3002, and 5005, and Local Rules 3001-1(b), 3004-1 and 5005-1 through 5005-4(12). Should an objection to a claim be filed, the Trustee may reserve payments on such claim pending entry of a final order resolving such objection. The amount shown as "monthly payment" is the average amount the creditor will receive each month during the life of the plan. Numerous variables (such as payment of attorney's fees, the timing of the preparation and filing of this Motion, the filing of claims after confirmation, the timing of payments made to the Trustee, etc.) make determination of an exact monthly payment to be disbursed each month impossible. The creditor's allowed claim will be paid within the term stated.

1- WORLD OMNI FINANCIAL CORPORATION	2016 TOYOTA	\$33,368.20 SECURED	6.25% INT. WITHIN 60 MONTHS (\$648.99 PER MONTH)

13. The following creditors have filed secured proofs of claim, but due to the value placed on the collateral, the claims will be treated as unsecured and paid with the other unsecured claims;

<u>Creditor</u>	<u>Collateral</u>	<u>Amount</u>	<u>Int. rate/Term/Mo. Pymt</u>

14. The Treatment of claim indicated in paragraphs 12 and 13 above is based on information known to the Trustee at the time of the filing of this Motion. The treatment of some claims may differ from that indicated if subsequent timely filed claims or amended claims require different treatment;
15. The following executory contracts and unexpired leases shall either be assumed or rejected as indicated below. With respect to any such contract or lease which is "Rejected," upon entry of an Order confirming plan, as modified by this Motion, the automatic stay of 11 U.S.C. §362(a) shall be lifted and modified with respect to a such agreement and any property held by the creditor or lessor, included but not limited to any security deposit "for cause" under 11 U.S.C. §362(d)(1), and, if applicable, the co-debtor stay of 11 U.S.C. §1301(a) shall also be lifted and modified with respect to such agreement and any property held by the creditor or lessor, including but not limited to any security deposit pursuant to 11 U.S.C. §1301 (c)(2).

16. Priority claims shall be paid in full over the term of the Plan;
17. That confirmation of this Plan will be without prejudice to pending Motions for Relief From the Automatic Stay and will be without prejudice to objections to claim and avoidance actions;
18. That confirmation of the Plan vests all property of the estate in the Debtor(s), provided, however, that upon confirmation, and hence such vesting, that automatic stay of 11 U.S.C. §362(a) shall be re-imposed as to any and all property with respect to which such vesting would otherwise effect the lifting of the automatic stay under 11 U.S.C. §362(c)(3)(A). Should any creditor object to the foregoing, then the property related to such creditors claim of the subject of such objection shall not vest in the Debtor(s) but shall remain property of the bankruptcy estate of the Debtor(s), until the earliest of the time the case is closed, the time the case is dismissed, or the time a discharge is granted or denied to the Debtor(s);
19. That the attorney for the Debtor(s) is requesting compensation for services in the amount of \$4,500.00 plus costs advanced of \$0.00 as reflected in the Rule 2016 Disclosure of Compensation (or Amended Disclosure, if applicable) filed with the Court, of which \$500.00 was paid to counsel prior to filing. The Trustee recommends to the Court a fee of \$4,500.00 plus costs advanced of \$0.00 for a sum of \$4,000.00 to be paid to counsel through the plan. If the amount recommended to be paid is different from that requested, an explanation can be found in Exhibit "A".
